

## Internshala Testing Instructions – AI CERTs Learner Portal

### Portal URL:

<https://v2learner.aicerts.ai/>

### 1. Objective

To test the end-to-end flow of the AI CERTs learner Portal

### 2. Steps to Follow

#### Step 1 – Access the Portal

1. Open a web browser
2. Go to: <https://v2learner.aicerts.ai/>

#### Step 2 - Sign Up as a New User

1. Click on the “Sign Up” button
2. On the **Sign-Up** page, fill out all required fields:
  - a. First name \*
  - b. Last name \*
  - c. Email \*
  - d. Confirm Email \*
  - e. Checkbox: “I agree to the Privacy Policy and Terms & Conditions and would like to be enrolled in AI CERTs' free course.” \*
3. Click on **Sign up for Free Course** button

#### Step 3 – OTP Verification

1. After submitting, you will be taken to the **OTP Verification** screen.
2. Open your email inbox and look for the OTP email from the portal (check spam if needed)
3. Copy the OTP code from the email.
4. Enter the OTP in the “**Enter OTP**” field.
5. Click “**Submit OTP**”.
6. Confirm what happens next:
  - a. If OTP is correct, you should be directed to your learner dashboard.
  - b. If OTP is incorrect, expired, or blank — appropriate error message should appear.
  - c. **Resend OTP** option will resend the OTP to the registered email address

#### Step 4 – Dashboard & Course Access

1. Once OTP is verified, you should land on your **Learner Dashboard**.
2. You will see a section titled “**My Courses**”.
3. Confirm that the course “**AI+ Foundation™**” is listed.

4. Click **“View Course”**

#### Step 5 – Course Detail Page & Learning Modes

1. Once you click **“View Course”**, you will land on the **Course Detail Page** (AI+ Foundation™).
2. The page contains multiple **learning modes** shown at the top-right:
  - a. **Video**
  - b. **Audio**
  - c. **Podcast**
  - d. **E-book**
3. Select each mode one by one and verify the following:
4. The **index on the right panel** updates according to the selected mode.
5. The **content type** (video/audio/podcast/e-book) loads correctly.
6. Navigation between modules and lessons works as expected.
7. Confirm that **common activities or quizzes** appear and remain accessible **across all four modes**.
8. Test playback controls (Play/Pause, Mute/Unmute, Fullscreen) for videos and audio files.
10. Ensure **no errors or blank screens** appear when switching between learning modes.
